

FDH Job No. E-1112185EW1
Southern Survey Job No. 1201-018G
2/6/12

Looking north at the temporary access gate west of hwy 259

Looking northwest up the hill from the edge of pavement on hwy 259

Looking south from easement centerline, that gravel drive is the current access point from hwy 259, there is no drainage there and water pools

Looking east from the tower's east property line, down the centerline of the existing access easement to the hwy 259 ROW

Looking west from the tower's east property line, to the tower site

Looking south from turn point 594
